About

ilingua International school of languages is one of the world's leading language training organization with 304 language centers in 34 countries. Teaching over 20 languages to millions of people every year.

ilingua method comprises of teaching in small class size and a friendly Environment, so you overcome hesitation and learn by speaking from day one.

ilingua trainers are highly motivated and professional. The team Comprises of native language speakers and Indian,certified in the inlingua methodology.

ilingua certificates are awarded to all students who complete the course. Our teaching standards and books correspond to both the ALTE (Association of Language Testers in Europe) & CEF (Common European Framework of Reference) Levels for languages. The testing is done in Accordance with guidelines set by ALTE. The certificates are recognized World over by corporates & universities and used for travel / job / visa purposes.

Principles of the inlingua method

- Use the target Language only
- Students learn by speaking
- Conduct lessons orally with book closed
- Teach useful structures Rather than just words
- Correct with care
- Build on student's Knowledge
- Give examples not theories
- Encourage creative use of the Language
- Address individual needs of students
- Teach structure through functional situations
